

PEN LITE A

LED penlight with batteries

The slim and elegant PEN LITE A is a good quality penlight at a very competitive price.

PEN LITE A is a bright penlight providing 100 lumen. It is designed for the professional user who needs a reliable and durable penlight that is easy to carry throughout the workday.

By means of the focus function you can vary the beam angle from 10° to 60°, from concentrated and focused light beam angle to long-distance light. Light output reaches up to 60 m.

The compact design of PEN LITE A makes it applicable for inspection in the most inaccessible places where light is limited.

The penlight is supplied with a clip and designed to always have in the chest pocket, right at your fingertips. The housing is durable and designed to give an ergonomic and safe grip. Waterproof, IP54.
