

POCKET LITE A

LED flashlight with batteries

The compact POCKET LITE A is a no-nonsense, good quality flashlight at a very competitive price.

The pocket-sized flashlight is designed for the professional user who wants a compact flashlight, which at the same time provides an effective light for work.

POCKET LITE A provides 150 lumen and light output reaches up to 70 m. By means of the focus function you can vary the beam angle from 10° to 60°, from concentrated and focused light beam angle to long-distance light.

The housing is very durable and the design provides an ergonomic and safe grip. POCKET LITE A is also delivered with a practical wrist strap to keep the flashlight secure.
