Drive with care

Higher lifetime, less replacement

Tired of changing your headlight bulbs all the time? With higher lifetime of a car bulb, Philips LongLife EcoVision is the choice for drivers seeking to minimise maintenance on their vehicles.

Original Equipment manufacturer

- Philips is the choice of major car manufacturers
- Award winning car lamp manufacturer
- Respecting high quality standards of the ECE homlogation

Very high quality and ultra resistant car lamp

- Philips car lamps are made of high-quality quartz glass
- Philips car lamps are highly resistant against humidity
- Philips car lamps are highly UV resistant

Lasts significantly longer than a standard lamp

- Change both your headlamps at once for more safety
- Wide range of 12V lamps to meet all functions
- No replacement necessary for 100 000 km
- Less waste thanks to fewer replacement
- High quality filament design to minimize maintenance

PHILIPS

Highlights

Car manufactuer choice

For 100 years, Philips has been on the forefront of the automotive lighting industry, introducing technological innovations that have become standard on modern automobiles. Today, one in two cars in Europe and one in three worldwide is equipped with Philips lighting

Change by pairs

Highly recommended to change them by pairs for symetric light performance

Designed for multiple usage

Which 12V lamp for which function ? Philips Automotive offering includes all car specific functions : high beam, Low beal, front fog , front indicator, side indicator, rear indicator, stop light, reversing light, rear fog light, license plate lights, rear position/parking light, interior lights.

Drive several times longer

With Philips LongLife EcoVision drivers don't have to worry about changing a headlamp for at least 100 000 km.

ECE homlogation

Philips automotive products and services are considered best-in-class in the Original Equipment Manufacturer market and the aftermarket. Manufactured from high quality products and tested to the highest specifications, our products are designed to maximize the safety and comfort of our customers' driving experience. Our entire product range is thoroughly tested, controlled and certified (ISO 9001, ISO 14001 and QSO 9000) to the highest ECE requirements. Put simply, this is quality you can trust.

High quality quartz glass

UV-Quartz glass is stronger than hard glass and highly resistant to temperature extremes and vibrations, which eliminates the risk of explosion. Philips quartz-glass lamps (filament 2 12342LLECOS2

650° C and glass 800° C) are able to withstand severe thermal shock. With the capability of increased pressure inside the lamp, UV-quartz glass is able to produce a more powerful light

Reduced maintenance

With Philips LongLifeEcoVision you need significantly fewer lamp replacements. This makes them the ideal lamp for high voltage cars.

Resistance against humidity

Only a burning bulb made of quartz glass (filament 2650°c, glass 800°c) can resist thermal shocks : if a drop of cold water touches the hot bulb, which can happen when you drive through water with a broken headlight unit.

Rewarded Car lamps

Our lamps are often rewarded by automotive experts

Specifications

- Packaging Data
 EAN3: 8727900362589
- EAN1: 8727900362572
- Packaging type: S2

Electrical characteristics

- Voltage: 12 V
- Wattage: 60/55 W

Lifetime

• Life time: 3000h

Light characteristics

• Lumens: 1650 ±15% lm

Ordering information

Order entry: 12342LLECOS2

• Ordering code: 36257228

Outerpack information

- Gross weight per piece: 0.62 kg
- Height: 12 cm
- Length: 28.6 cm
- Width: 14.1 cm

Product description

- Type: H4
- Application: High beam, Front fog light, Low beam
- Designation: H4 LongLife EcoVision
- Homologation ECE
- Range: LongLife EcoVision
- Technology: Halogen
 Base: P43t-38

Packed product information

- Pack Quantity: 2
- MOQ (for professionals): 10
- Gross weight per piece: 62 g
- Height: 13.3 cm
- Length: 5.3 cm
- Net weight per piece: 21.359 g
- Width: 11 cm

Marketing specifications

- Expected benefits: Long lasting
- Product highlight: Lifetime up to 1500 hours
