## DESCRIPTION

---

NIX WHITE 515 is a hanging ceiling lamp from the MiLAGRO brand. It consists of three fixtures in the shape of squares arranged horizontally. The luminaires of various sizes contain three light sources in the form of an LED module. The width of the lamp at the widest point is 80 cm, and the width of the smallest housing is 40 cm. The housings are located on four adjustable slings each. On the other hand, they are attached to a square roof lining. Replaceable LED modules glow warm, white with a temperature of 3000 K. The luminous flux of this device is 8190 lm. The energy-saving LED has a power of 117 W, which is equivalent to 585 W of an incandescent lamp.

This extensive NIX WHITE 515 ceiling lamp is perfect for lighting large living rooms. Placed in the center of the room, it will provide excellent light and brightness in the room.
