## DESCRIPTION

---

Stylish and elegant, yet modern interiors are the perfect place for lamps from the LAYLA collection. They are made of high quality materials. There are two ceiling lamps in this series. The collection is perfect for a living room or bedroom.

The LAYLA ceiling lamp is made of safe and durable plastic. The light intensity is regulated by a remote control, which can also change the color of light between 3000K, 4000K and 6000K.

Thanks to a specially made lamp shade, after switching on, we get the effect of a starry sky.

The collection by the MiLAGRO brand is covered by the manufacturer's warranty. Its duration is 24 months. During this period, all repairs are provided free of charge.
