## DESCRIPTION

---

Effective lamps from the Pico Black collection are characterized by a simple form and neutral black colors. Thanks to such characteristics, the luminaires will be perfect for modern interiors, and their versatility will also prove useful in more classic styles. The distinctive element of the Pico Black series are luminaires resembling film lamps. Customers can choose from several types of lighting, including: a wall lamp, and four spots with two, three, four and six points of light. It is recommended to use LEDs with GU10 thread for lighting.

Lamps are covered by a 24-month warranty. After the expiry of the above-mentioned period, the user has the option of using a specialized company website.
