Brand: [Milagro](#)

DESCRIPTION

The LAURA collection from MiLAGRO includes decorative chandeliers and matching wall lamps. Hanging lamps have space for a total of three light sources with E14 type threads. Both LED bulbs and traditional ones with energy classes from A ++ to E can be installed in them. The maximum power of each source is 60W. The total height of the chandelier is 55 cm and its width is 48 cm. In turn, the wall lamps have one light source with an E14 thread. The maximum power is 60W and the rated voltage is 230V. The total height of this element is 23 cm and the width is 8 cm. The distance from the wall is 16 cm.

Both the chandeliers and wall lamps are available in four color versions: white, gray, light and dark pink. Depending on your own taste, they can be freely combined with each other or put on one color. Lovely flowers and beautifully reflecting crystals will certainly fit perfectly into the decor of children's rooms.

Elements from the LAURA collection are covered by the manufacturer's warranty. "
