DESCRIPTION

The Alice White series is a collection of lamps designed in a classic, elegant style. Finished in white with white shades, it will be perfect for traditional interiors. The collection's attention is drawn to aesthetic

butterfly-shaped decorations. Customers can choose from a dozen lighting models from the collection: a wall lamp with one light point, chandeliers with three light points and a chandelier with five light points. By combining several lamps from the collection in a room, you can create a coherent and complete arrangement. Lamps are covered by a 24-month warranty. After the expiry of the above-mentioned period, the user has the option of using a specialized company website.
