DESCRIPTION

The collection of classic Alice Pink lamps is a perfect proposition for fans of traditional forms and shapes. The lamps are finished in a powder pink color, while the simple lampshades are in white. The lighting will work both in living rooms and dining rooms. The distinguishing elements of the Alice Pink collection are aesthetic butterfly-shaped decorations. Customers can choose from four types of lamps: a wall lamp with one light point, chandeliers with three light points and a chandelier with five light points. For lighting, it is recommended to use LED bulbs with an E14 thread. Products are covered by a 2-year manufacturer's warranty, under which free warranty services are provided.
