DESCRIPTION

CARINA is a stylish line of lamps from the Polish brand MiLAGRO. It is dominated by spheres surrounded by minimalism. This collection focuses on the classic combination of white and black, which was enriched with a bit more impressive gold, as well as elegant materials - glass and metal. This style of lamps makes the CARINA a perfect match for rustic-style interiors, as well as more economical in decor and furnishings, being one of the dominant accents in them.

The collection has many elements that can be freely combined with each other, depending on the needs and size of the house or apartment. It consists of five ceiling lamps in two different versions, as well as a table lamp and a wall lamp.

Products from the MiLAGRO brand are covered by a 2-year warranty period.
