DESCRIPTION

The VICTORIA line is one of the newest proposals from the Polish brand MiLAGRO. It is dominated by classics packed in a slightly more avant-garde form. In this collection, traditional fabric lampshades with a slightly trapezoidal shape placed on characteristically bent metal arms are in the foreground.

The style of the VICTORIA collection will fit perfectly into interiors with a bit more classic sewing. Depending on the color variant we choose, we can combine it with various shades of wood, with gray, white or black.

This line includes five elements: a wall lamp, a table lamp, a standing lamp, and two chandeliers equipped with five or two light sources. Each of them is available in three colors: a combination of white with silver, black with gold and a combination of bottle green and brass.

The VICTORIA collection from the MiLAGRO brand is covered by a 24-month warranty period.
