DESCRIPTION

The MIS line of the Polish brand MiLAGRO consists of four types of ceiling lamps, one hanging, which can be adjusted in height, and one type of wall lamp. The products are made of metal combined with fabric and wood. The careful workmanship of the lamps will ensure the safety and comfort of children playing. The collection is perfect for a child's room. Its universal styling suits both boys and girls. Wooden, ecological elements representing teddy bears will give the interior a unique character.

The products are covered by a 2-year warranty, under which free warranty services are provided. After the expiry of the above-mentioned period, it is possible to use a specialized company website.
