DESCRIPTION

The BALLETNICA PINK lamp series is a proposal for all women looking for original solutions. The elegant design of glamor-style products fits both the bedroom, living room and living room. Small crystals will give the space a unique character, and ballerinas slightly moved by the wind will create the impression of spinning dancers. Thanks to this, the lamp, apart from its basic function, will become a decorative element. The entire collection is available in two color versions: white and pink. It includes ceiling lamps and wall lamps. The lampshades are made of high-quality fabric.

The manufacturer provides a 24-month warranty for the lamps, under which it provides free warranty services. After this period, it is possible to use the company's specialized service.
