DESCRIPTION

VIDAR collection - elegance in a minimalist version

The VIDAR series created by the Polish brand MiLAGRO is distinguished by a simple, modernist form. The collection includes: floor lamps, night lamps, hanging ceiling lamps with one and three light points, ceiling lamps with two and three light points and a wall lamp. The models are available in six color versions. The first is a combination of stylish black with light wood, while the second is classic white with light wood. The third, fourth, fifth and sixth models are a combination of black and white with gold or silver metal. VIDAR lamps are characterized by the geometric shape of a cuboid.

The unique VIDAR collection is perfect for modern interiors decorated in the spirit of minimalism. The classic and universal colors of the lamps will look good in any interior. Thanks to the extensive collection, you can create a coherent space using various types of lighting. VIDAR lamps are suitable for the living room, bedroom, kitchen and office. They can also be successfully used in hotel rooms or waiting rooms. This stylish accessory is a combination of utility and design.

VIDAR - Polish product quality

The VIDAR line from the Polish brand MiLAGRO is only high-quality raw materials used during production. Damage-resistant metal and the highest-class, properly made natural wood is a perfect combination that will make the lamps will serve for many years. In addition, the pendant lamp has the ability to adjust the cord. Thanks to this, it can be mounted anywhere: above the dining room table or above the shelves above. Their small dimensions also allow these lamps to be placed anywhere in the living room or in the bedroom.

Lamps from the VIDAR line are equipped with space for replaceable LED modules (these are sold separately). In addition, the lamps in this line are covered by the manufacturer's warranty for 2 years.

The VIDAR series includes the following lamps of Polish production:
