## DESCRIPTION

---

VENEZIA is one of the newest lamp collections created by the Polish brand MiLAGRO. It is available in two color versions: a combination of white with wood and black, also with a wooden accent. This line includes a chandelier in two variants: equipped with three or five light sources, as well as hanging lamps of various designs and a ceiling lamp. It is complemented by a standing lamp and a wall lamp. Thanks to such a variety, you can adjust the number and type of devices to your preferences, dimensions and type of room.

The modern and economical design will perfectly fit into Scandinavian-style interiors, as well as those with a minimalist design. Lamps from the MiLAGRO brand are also a guarantee of quality, thanks to the high-quality materials from which they are made. The VENEZIA line relies on metal and wood.

MiLAGRO products are covered by a 2-year warranty.
