DESCRIPTION

WEST is one of the newest lines of the MiLAGRO brand. It was created for fans of modern and expressive, geometric shapes. The collection is available in two color versions: black and white.

An oblong cylinder-shaped lampshade with a square wooden element in its half. Lamps from the WEST collection will be a perfect complement to interiors kept in a minimalist style, both in economical and strong colors.

This line includes: a ceiling lamp and a hanging lamp with one, three and five light sources, a desk lamp and a standing lamp with two light points. In addition, there is a pendant lamp with four square-shaped bulbs.

Products manufactured by MiLAGRO are covered by a 2-year warranty period. After this time, you can use the company's specialized service.
