DESCRIPTION

The RICK collection was created with modern interiors in mind. Its designer style will surely attract the attention of guests. The series has four models of ceiling lamps with one, two and three light points, which are available in two configurations. The luminaire is closed in a metal lampshade with black wire elements. For contrast and reflection of light, its inner surface was painted gold. The RICK collection is perfect for both living rooms and bedrooms.

The collection by the MiLAGRO brand is covered by the manufacturer's warranty. Its duration is 24 months. During this period, all repairs are provided free of charge.
