## DESCRIPTION

---

The GOLDIE line is one of the newest collections designed by the MiLAGRO brand. Their unusual design will surely make the heart of every lover of strong decorative elements beat faster.

What distinguishes the lamps from the GOLDIE line - apart from the highest precision of workmanship - is their golden color. The exclusive nature of this color is additionally emphasized by a glossy finish. The collection is dominated by lamps with modern, soft lines and a simple, oval shape. This series will fit perfectly into modernist interiors, both typically residential and commercial, and the precious gold will be a perfect counterweight to black, bottle green or white.

The GOLDIE collection consists of four elements. These are hanging lamps equipped with 1,3,5 and 12 light sources. Each lamp is made of a combination of two materials: metal and acrylic. Each of them is also equipped with replaceable LED modules.

MiLAGRO products are covered by a 24-month manufacturer's warranty.
