DESCRIPTION

SOHO lamps - lighting different from all the others

The extraordinary SOHO collection is another example of a modern approach to design, represented by the Polish brand MiLAGRO. This family includes two hanging lamps in gold and black, which at first glance look very inconspicuous, but upon closer inspection they are stunning with the number of details. Their round, rim-like lampshades are made of dozens of carefully cut and intricate wreaths of geometric figures: circles and polygons of various sizes and diameters.

Lampy wiszące z kolekcji SOHO to prawdziwa gratka dla miłośników niestandardowych rozwiązań aranżacyjnych, łączących w sobie zarówno maksymalną funkcjonalność, jak i wyjątkową oryginalność formy. Oświetlenie z tej linii śmiało można bowiem porównać do dzieła sztuki użytkowej: abstrakcyjnej kompozycji kształtów, rodem z pracowni najlepszego rzemieślnika.

SOHO lamps are a proposal that will be perfect for spacious interiors where all details are selected with great care. The golden variant will perfectly fit into an impressive boho-style living room or help brighten up a luxurious studio apartment. A chandelier in intense black color can be an interesting accent in a modern interior or provide an excellent support for a loft space, clearly standing out against the background of gray concrete or wooden wall panels.

The SOHO collection - the beauty of applied art

Lamps from the SOHO line belong to this type of chandelier that look best on their own - as the central light source in a room. Fortunately, their large dimensions and the LED bulbs used mean that they do not need additional company and will successfully brighten even large interiors. SOHO lamps have a diameter of 50 centimeters, and their lampshade, made of metal, geometric tiles, is 8 cm high. Four lines, connecting the lampshade with the round rosette, can be adjusted in the range from 50 to 100 cm, so you can easily adjust the chandelier to the height of the room.

The intriguing, geometric line of SOHO lamps consists of the following positions:
