## DESCRIPTION

---

The line of stylish hanging lamps CLARK is one of the newest proposals of the Polish brand MiLAGRO. Models from this collection attract the eye with an interesting form of lampshades, reminiscent of a manual bell, as well as elegant colors. The lamps are available in two color configurations: the outer part of the lampshades can be white or black, and the interior and decorative details delight with a golden glow.

Lamps from the CLARK collection are an ideal proposition for modern interiors, as well as for spaces that harmoniously combine modernity with a vintage atmosphere. A single pendant lamp will look best in a green setting or hung next to a round mirror decorating a living room wall. The model with three lampshades is perfect for lighting a dining table, but it can also be used as the main source of light in the living room.

Lamps from this collection are covered by a 24-month manufacturer's warranty.
