DESCRIPTION

Hanging MARBLE lamps are a dignified way to illuminate your home. The oblong lampshades in the form of a marble cylinder are available in 4 color versions: black, black and white, black and gold and white and gold. Their construction is solid and durable.

MARBLE lamps will fit both modern and more classic rooms. Various types of color versions allow you to match the lamps to the arrangement. Lamps will correspond with black, white and gold elements of the decor. Elegant lamps will prove themselves as lighting for living rooms, kitchen islands or atmospheric dining rooms. Lamps in gold and white and black and gold versions will fit into spaces with many gold-plated elements. They allow you to feel the luxury, but with good taste and without falling into too much glamor. They will be an excellent option for classy interiors.

The Marble lamp collection is covered by a 24-month manufacturer's warranty.
