DESCRIPTION

The slender lamps from the ROMA line are an offer of the Polish brand MiLAGRO, which should appeal to lovers of elegant details. The collection includes hanging lamps: with one or three light sources, as well as a small wall lamp. The common feature of each of the models are beautiful, subtle lampshades made of smoked glass, as well as stylish gold inserts on the construction elements, made of white or black painted metal. In the case of a hanging lamp, equipped with three shades, the manufacturer took care of the option of individual lighting configuration in the 1,2 or 3 system.

Lamps from the ROMA collection are perfect for modern interiors with a fashionable, minimalist atmosphere. The white variant will bring lightness, freshness and a subtle breath of luxury to the room, while the models in black matt color are the essence of elegance and class.

Lamps from this collection are covered by a 24-month manufacturer's warranty.
