DESCRIPTION

UNI collection - children's joy

The UNI series from the Polish brand MiLAGRO is a dream come true for almost every girl. The combination of subtle, delicate pink with white and the unicorn motif makes this lamp a must-have accessory for the room of the lover of this fairy-tale character. The collection includes: a wall lamp, a pendant lamp, a ceiling lamp with two and three light points. Thanks to this, with the help of this series, you can create a coherent interior design.

UNI lamps are ideal for a child's room, which will give it a unique character. The classic style of the series with a hint of elegance and a unicorn motif and with small crystals will be perfect for minimalist, slightly elegant interiors with a limited number of accessories. Wall lamps, ceiling lamps and hanging lamps, due to their simple, geometric shape and stylish addition, will prove themselves in modern rooms, where bright, pastel colors reign. Their soft light will create a cozy atmosphere. It will also be appropriate when your baby is falling asleep. We will also get an interesting effect in the bedroom by hanging the wall lamps symmetrically on both sides of the bed just above the child's bedside tables.
