DESCRIPTION

The OMEGA line is a modern family of lamps of the Polish brand MiLAGRO, including wall lamps, plafonds and hanging models: single and two-triple. Their characteristic feature is modern ball-shaped lampshades made of smoked glass, as well as subtle, golden details on metal construction elements. OMEGA hanging lamps have the option of any lighting configuration of each of the light sources, as well as height adjustment, thanks to which they can be perfectly adapted to any interior.

OMEGA lamps are a proposal that was created for modern living spaces, in which shape and colors are of paramount importance.

They can be used in a living room or bedroom with equal success, as well as in the dining room or hall.

Small smoke-glass wall lamps will also look great in the bathroom, especially against the background of marble tiles.

Lamps from this collection are covered by a 24-month manufacturer's warranty.
