DESCRIPTION

Lamps from the RICHMOND collection are one of those proposals of the Polish brand MiLAGRO, which are dedicated to modern spaces.

This line consists of a whole range of models necessary in any interior: hanging lamps with single and triple light sources, subtle wall lamps and plafonds.

In the case of the RICHMOND collection, the most eye-catching elements are slender glass lampshades made of smoked glass and metal construction elements. Stylish, golden inserts also add to the lamps of unusual class and elegance.

The harmonious combination of black metal, smoked glass and golden details makes RICHMOND lamps look best in classic, elegant interiors.

They will blend in fantastically with marble countertops, light walls and sofas upholstered with soft fabric.

An interesting effect can also be achieved by installing wall lamps and hanging lamps in a bedroom with a large, continental bed and dark wallpaper with a golden, geometric pattern.

Lamps from this collection are covered by a 24-month manufacturer's warranty.
