DESCRIPTION

The SANTIAGO line, created by the Polish brand MiLAGRO, is a proposal dedicated primarily to modern interiors. Elegant, slender lampshades made of smoked, amber and transparent glass will, however, perfectly harmonize with classic decorations. The SANTIAGO collection includes single and triple hanging lamps with adjustable height, as well as small, subtle wall lamps. Lamps are available in black matt.

Hanging lamps from the SANTIAGO collection are ideal for use as a central light source in a small, brightly decorated living room. They can also be successfully used as lighting for a kitchen island or a table in the dining room. Single overhangs and wall lamps will prove themselves as an alternative to classic bedside lamps, as well as to illuminate interesting details in the interior: mirrors, paintings or family photos.

Lamps from this collection are covered by a 24-month manufacturer's warranty.
