## DESCRIPTION

## CIRCULO collection - a combination of minimalism and elegance

Garden lamps from the CIRCULO series are perfect as stylish and original outdoor lighting. Mobile spotlights can be mounted anywhere and enjoy a well-lit patio or terrace. The lighting from the CIRCULO series will look great both as a single lamp and as a whole set. The garden collection includes: a wall lamp, a standing lamp, a hanging lamp and a table lamp.

CIRCULO from the Polish manufacturer EKO-LIGHT, thanks to their unique design, will look good in a garden decorated in a classic or minimalist style. A characteristic feature of the series is a round, milky lampshade and a black ring in the middle. The very simple construction of the lamps allows for quick and easy installation, without the need to use the services of a professional. The dimensions of garden lighting for individual parts of the collection are: wall lamp $\mathbf{2 0 0} \mathbf{x} \mathbf{2 3 0} \times \mathbf{2 0 0} \mathbf{~ m m}$, standing lamp $\mathbf{4 7 0} \mathbf{x} \mathbf{2 0 0} \times 2000 \mathrm{~mm}$ hanging lamp $200 \times 200 \times 500-900 \mathrm{~mm}$ (adjustable height), standing lamp $\mathbf{2 0 0 \times 2 0 0 \times 3 2 0 m m .}$

A refined garden collection from the Polish brand

The CIRCULO line is made of a combination of the highest quality materials: aluminum and plastic, while the degree of protection is IP44, which means that the lamp is resistant to all kinds of weather conditions, such as rain or hail, and can be mounted outside.

All garden lamps: wall lamp, pendant lamp and table lamp have space for one standard bulb marked as E27, while the standing lamp has space for two bulbs. However, the light source must be purchased separately

Lighting from the EKO-LIGHT brand has been covered by a 24-month manufacturer's warranty

The garden collection of CIRCULO lamps designed by the Polish brand EKO-LIGHT includes the following types of lighting:

- wall lamp with one light source EKO6641
- hanging lamp with one light source EK06642
- standing lamp with two light sources EKO6644
- standing lamp with one light source EKO6643
