DESCRIPTION

The BIMA line - attractive surface-mounted luminaires

BIMA lamps from the MiLAGRO brand are a series of eight unique surface-mounted lamps. The advantage of each of them is a minimalist and geometric form. Symmetrical squares and delicate rollers will be a perfect complement not only to home or office lighting, but also to the entire interior of the room. Especially one in a modern or minimalist style. Similarly subdued colors - white and black - make the surface-mounted fixtures from the BIMA collection can be easily integrated into the existing interior design. They will harmonize perfectly with both classic colors, such as gray or beige, but they will also not disturb the more expressive composition.

The BIMA collection from the MiLAGRO brand - aesthetics of workmanship

The small dimensions of all luminaires allow them to be freely arranged on the ceiling, depending on individual needs and room layout. Especially in the kitchen, their even distribution will play a key role, which will eliminate the negative effect of shadows. BIMA surface-mounted luminaires are made of high-quality aluminum. The degree of protection is IP20, which means that the lamps are resistant to the harmful effects of small pollen.

The lamps are not supplied with a light source. Lighting from the BIMA collection is covered by the manufacturer's warranty,

The following lamps are part of the BIMA collection:

- Round surface-mounted luminaire in white ML7010
- Round surface-mounted luminaire in white ML7686
