DESCRIPTION

SFERA is a complete MiLAGRO lighting line consisting of several dozen lamps in two color variants: a combination of white and black and a combination of black and white and wood. They are made of high-quality materials such as metal, glass and wood.

Spheres and a simple form dominate the SFERA collection. Thanks to this, lamps from this line fit virtually any type of interior. They will perfectly fit into the space of the kitchen, living room, bedroom or dining room. They will perfectly complement the minimalist decor, but also slightly soften the lavishness in the room. The multitude of available forms and shapes will ensure that everyone will find something for themselves in this line.

The SFERA collection consists of a wall lamp, hanging lamps in four variants (equipped with 1, 3, 5 or 6 light sources) and ceiling lamps (equipped with 3 or 5 light sources).

The lamps from the MiLAGRO collection are covered by a 2-year warranty period.
