DESCRIPTION

STUDIO WHITE is a line of modern hanging lamps in various configurations. Among them there are models with one or three light points. Each of the products is height adjustable. STUDIO WHITE lamps are made of high-quality metal, which in combination with wood creates an interesting combination. The simple design of the products makes them perfect for minimalist or futuristic interiors. The universal, white color of the STUDIO WHITE line will give the rooms additional freshness and visually illuminate them. These lamps will be a great choice for the living room or kitchen, where they will surely make a big impression on guests.

The products are covered by a 2-year warranty, under which free warranty services are provided. After the expiry of the above-mentioned period, it is possible to use a specialized company website.
