DESCRIPTION

The SATINO lamp collection - elegance at its purest

If you are looking for exceptional lamps that combine a simple shape with a noble material, the SATINO collection by the Polish brand MiLAGRO will surely steal your heart. This family of products includes as many as 10 different models, including round and square ceiling lamps, stylish wall lamps, a bedside lamp and a floor lamp, which can be used individually or in individually created sets. All proposals from this collection are available in two color variants: black and silver and black and gold.

The greatest advantage of the lamps from the SATINO collection are simple lampshades, which are covered with the highest quality material with an extremely interesting combination of black with gold or silver, thanks to which they look extremely elegant. These types of lamps will look great in tasteful Parisian or New York style interiors, as well as in very fashionable spaces with glamor accents. A great company for SATINO lamps will be soft, upholstered sofas in dark colors, velvet curtains and thick carpets, as well as all accessories in silver and gold.

The SATINO collection - be enchanted by the highest quality

Lamps from the SATINO collection of the Polish brand MiLAGRO delight with stylish design, arrangement possibilities and the highest quality of workmanship. Material shades and metal bases are refined down to the smallest detail, so they will appeal to even the most demanding aesthetes. Added to this is the enormous strength and durability of the products, as well as their extraordinary functionality.

All SATINO lamps are adapted to E27 light sources, and one model of the wall lamp and a floor lamp additionally have a practical, adjustable light point for a mini GU10 bulb.

The collection of SATINO lamps includes:
