DESCRIPTION

Collection of DANTE SILVER lamps - minimalism with a loft style

The modern, minimalist collection of DANTE SILVER lamps is a tribute to lovers of loft spaces and decorations with a simple but intriguing design. This family of products includes a single wall lamp, two ceiling strips (with three and five light sources, as well as three overhangs - single, triple and five-fold.

Manufactured by the Polish brand MiLAGRO, the DANTE SILVER lamps have a cylinder-shaped body, ended with a small lampshade made of thin metal rods. Thanks to this, they perfectly fit into the atmosphere of industrial interiors, the strength of which is the display of raw materials and designer accessories. Because the lamps come in several color variants, which are a combination of black, silver and gold, you can easily find a proposal perfect for your home or office. Small sconces with dimensions of 10x10x16 cm are perfect for a hallway or on a concrete wall at the head of the bed. Hanging lamps, the height of which can be adjusted from 30 to 90 centimeters, will fantastically illuminate the wooden table in the dining room or the kitchen island with a marble or granite top.

Lamps from the DANTE SILVER collection - quality paired with functionality

The new collection of DANTE SILVER lamps by MiLAGRO is a proposal for all those who value perfect design, but at the same time place great emphasis on functionality. Products from this family are made entirely in Poland, from the highest quality materials. Lamps designed for light sources GU10 and will ensure the optimal level of brightness in any room.
