Collection of JOY GOLD lamps - a classic in a modern edition The

extremely stylish collection of JOY GOLD lamps will surely appeal to lovers of classic arrangement solutions in a slightly refreshed, more modern version. This product family includes 4 products - a double wall lamp and three ceiling lamps (with two, three and four light sources). The greatest advantage of each of these models is the impressive, spherical white glass lampshades mounted on straight metal arms in black or white. Additional charm and elegance are given by golden accents on the shoulder joints, right next to the lampshades and rosettes.

Lamps from the JOY GOLD collection - timeless design, maximum durability

Lamps from the JOY GOLD collection by the Polish brand MiLAGRO are perfect for classic spaces, as well as for glamor and romantic interiors. Wall lamps in white will look great against a floral wallpaper, while those in black tones - on the wall in fashionable, intense colors: bottle green, graphite or dark navy blue. Ceiling lamps can be hung above the round table in the dining room, a comfortable bed with a decorative headboard in the bedroom or among golden mirrors in a woman's wardrobe.

Stylish wall lamps and ceiling lamps from the JOY GOLD collection attract the eye with their effective design, while delighting with the quality of workmanship. Only the highest quality materials were used for their production, and every detail is refined to the smallest detail. Lamps are suitable for E14 light sources.
