DESCRIPTION

The VERDE lamp collection - the face of style and elegance

The new VERDE product family of the Polish brand MiLAGRO will delight anyone looking for stylish accessories with a noble finish for their home or office. This collection includes 10 different models, including wall lamps, round and square ceiling lamps, overhangs, as well as a bedside lamp and a floor lamp. Each of the proposals is available in the color of bottle green with small golden accents.

Lighting from the collection will be perfect for both modern interiors as well as classic and glamorous spaces decorated in a bright atmosphere. Noble colors combined with a simple but sophisticated structure make the lamps harmonize perfectly with wooden furniture and shiny accessories. Elegant wall lamps will be perfect as hall lighting, large ceiling lamps can become the focal point of light in a large living room, and a floor lamp with an additional LED point will look perfect next to a comfortable winged armchair. When it comes to hanging lamps, it is best to mount them over a long table in the dining room or a kitchen island.

VERDE collection - the brightest point of arrangement

The unique collection of VERDE lamps is not only a stylish design and timeless colors, but also the highest standard of workmanship, which is why it will meet the expectations of the most demanding customers. The quality is guaranteed by the excellent raw materials from which the lamps were made, as well as the fact that all of them are made exclusively in Polish production plants.

VERDE lamps are adapted to E27 bulbs, and one of the wall lamps and the floor lamp additionally require a mini GU10 light source.
