DESCRIPTION

Collection of BETA lamps - a timeless solution

Following the fashion, in the case of BETA lamps, the manufacturer MiLAGRO offers you a perfect complement to both modern and classic interior. Metal lampshades, which are characterized by a very minimalist design, will also be a perfect complement to loft arrangements, composed in the manner of industrial buildings.

Their timelessness results from the simple structure and universal character. They can be a long-term decoration of traditional apartment living rooms and kitchen islands in industrial interiors. By choosing lamps in the style of modern classics, the space in which they will be located will impress not only today, but also in 5 or 10 years.

The black and gold colors of these models provide additional aesthetic value and give the interior a touch of elegance.

Thanks to the light distribution downwards, a unique atmosphere is achieved. The height of the lamp can be adjusted according to individual needs, so it can be adapted to various types of rooms.

The lamps of this family are equipped with an E27 socket bulb.

The collection includes:

- Hanging lamp BETA MLP7974, MLP7973
- Hanging lamp BETA MLP7897, MLP7896
