CHARACTERISTICS

Width:	1500mm
depth:	75mm
Height:	180mm
LENS WIDTH (mm):	60mm
Power:	3xGU10
Source of light:	NO
Replaceable source of light:	Yes
Voltage:	~230V/ 50Hz
THREAD:	GU10
Ingress Protection (IP):	IP20
NUMBER OF LIGHT POINTS:	3
Color:	White
Made of:	Aluminum
Net weight:	3.25kg
Gross weight:	4kg
Width of packaging:	151
Depth of packaging:	8
Height of packaging:	8
Quantity in gross packaging:	1
KATEGORIA OPAKOWANIA:	KARTON
KATEGORIA W OPAKOWANIU:	KARTON+FOLIA
Producer:	Eko-Light
Brand:	Milagro

OPIS

A modern Milagro lighting set designed for mounting in a rail system. The set includes three spotlights from the Pipe family (1xGU10) and a 1-circuit track with a length of 1.5 m. Solutions of this type are widely used both inside residential and commercial premises. The spotlights can be plugged in anywhere on the rail, moved, rotated - thanks to which we can easily direct the light to the point we choose. An additional advantage of the luminaires is the replaceable light source, thanks to which we can easily adjust the appropriate color of light, and in the event of a failure, we can easily replace the bulb.
