**Description:**

The Entac 5W T6 aluminum flashlights will provide the light you need in every situation. Let it be a power outage, an excursion, a dark winter morning or any other situation, our flashlights and torches will come handy. Our 5W T6 aluminum flashlight with IP65 protection can also be used in wet conditions, while the aluminum case ensures its durability. It is a small and practical product with a unique plastic storage box to go with it. The lamp has a 5W power output and a 400 lumen brightness granting a visual range of up to 150 meters. It works with two 18650

batteries that come with the product, together with the wall charger cable accessory. Its operating time is a maximum of 6 hours.

The Entac Flashlight category includes numerous other products. Learn more about these on the following [link](#).
